A Reminder From:

Name: _____ Date: _____

Based Upon American Cancer Society Guidelines,
You are due for a follow-up colonoscopy.

The reason for this exam is checked in the box below:

- Personal history of prior colon/rectal cancer
- Family history of colon/rectal cancer.
- Personal history of polyps
- Longstanding history of inflammatory bowel disease.
- Routine Screening Colonoscopy

How do I schedule my repeat exam?
Schedule by phone
(no office visit required)

Call

Colonoscopies can be performed at:

Why is it necessary to schedule a repeat colonoscopic exam?

Based upon the reason check-marked above, you have been identified as being at risk for developing colorectal cancer.

Colonoscopy is widely accepted as the most effective method to examine the lining of the bowel, and the safest method to remove pre-cancerous polyps.
